CATERING TO YOU

There is no better place to celebrate your special event than Woody's. If you are looking for live entertainment, cocktails and fun sharing food, you have come to the right restaurant and bar. We do not believe in the typical hassle and drama that other venues create for large groups. We take pride in hosting customer events and making them as special and creative as you desire. Let us customize your private catering experience today. We can cater to any corporate party, holiday event, or private function. Our 3400 square foot multi-function venue has two separate rooms each with their own bar and seating areas, allowing us to offer our guests unique, personalized options. Choose the private or semi-private space that best suits your group. Call and reserve your event today!
